Prices for Custom-Made Woven Poly Tarps with hems and brass grommets (brass grommets every 2 feet around the perimeter, reinforced hems, strengthened with rope edging)

12 mils (6 oz) woven poly tarps available in "Clear" or Black/Silver

24mils (12 oz) woven poly tarps available in Translucent ("Clear"), Black/Black, White/White, White/Green, White/Blue, White/Red

Prices - Please phone us for current pricing on tarps. They change often due to the many components.

Description – Extra strong woven poly. They're water-proof, mildew-resistant, rot-proof, and do not shrink. They're strong, tear-resistant, and store easily. Choose 12 mils for easier handling or 24 mils for greater strength. Phone to discuss which one best suits your needs.

Color and thickness choices as above. Black/black or black/silver tarps last longer in the sun than clear tarps.

Sizes – Our woven poly tarps are custom made to the size you need (almost any size). For rectangular tarps, phone us to discuss the size and kind you'd like. If you need something specialized, please send a sketch.

Sample - There's a sample of the 12 mils black/silver poly in our catalog. If you need a sample of the 24 mils before ordering, please phone or write and state the intended use of your tarp.

Custom Size Woven Poly Barn Curtains and Custom Size Woven Poly Panels

Colors and thickness choices same as tarps. Prices usually less than tarps. Often quicker to make and ship.
